From the Executive Engineer, P.W.D. South Kanara divisi No.250/M.dated 28-1-1955.

I submit that my chambers are not fitted with a fan. This leads to considerable discomfort during the summer months. The Executive Engineer Public Works Department, South Kanara Division, who was addressed by me to make arrangements for the same has informed me that prior administrative approval of Gover ment is necessary to take up the work. The cost of fitting a ceiling fan is report to be Rs.200/- As the weather has warmed up, a ceiling fan for my chambers is very essential and urgent. I therefore request that the Government may be addressed to sanction the installation of a ceiling fan in the chambers of my court, at an early date.
